

CALAMITY DAY LESSON #2

6th Grade Choir

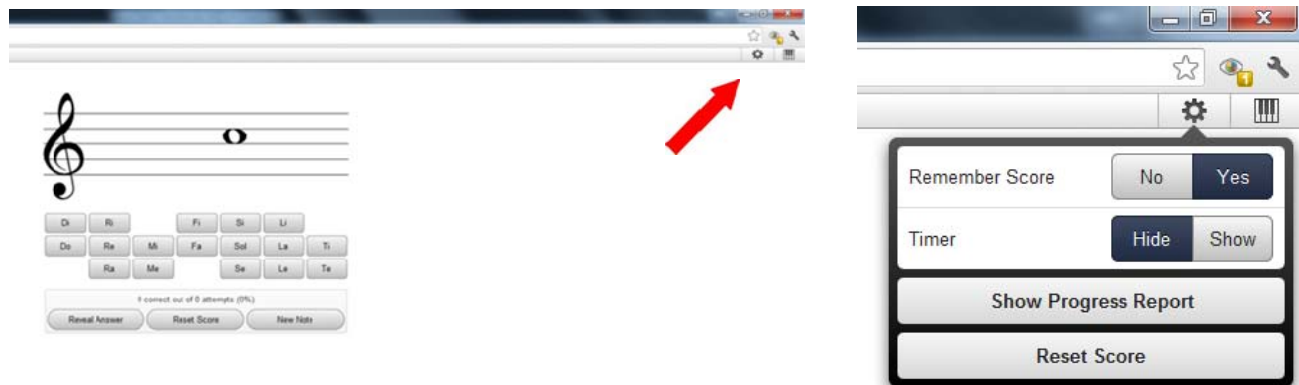

INSTRUCTIONS:

After you have finished reading through the following directions, click on the link at the bottom to take you to the activity on www.musictheory.net

You will be asked to identify 25 different notes of the Treble Clef. After you complete the task, you will be printing off a copy of how you did. If at any time you are unhappy with your score and would like to try again, you can simply reset the score by clicking on “Reset Score” and then start over with the questions.

After completing the questions, you will need to print off a report of how you did. To do this, click on the little gear wheel in the upper right hand corner in the toolbar and then click “Show Progress Report”.

Progress Report

Verification Code	
After generating a verification code, the name cannot be changed until the score is reset.	
Student Name	<input type="button" value="Generate Code"/>
